conditions may be protested and appealed under part 4 and subpart 4160 of this part.

(c) If any term or condition of a BLM-offered permit or lease is stayed pending appeal, BLM will authorize grazing use as provided in §4160.4 with respect to the stayed term or condition.

[60 FR 9966, Feb. 22, 1995, as amended at 71 FR 39506, July 12, 2006]

#### § 4130.3-1 Mandatory terms and conditions.

(a) The authorized officer shall specify the kind and number of livestock, the period(s) of use, the allotment(s) to be used, and the amount of use, in animal unit months, for every grazing permit or lease. The authorized livestock grazing use shall not exceed the livestock carrying capacity of the allotment.

(b) All permits and leases shall be made subject to cancellation, suspension, or modification for any violation of these regulations or of any term or condition of the permit or lease.

(c) Permits and leases shall incorporate terms and conditions that ensure conformance with subpart 4180 of this part.

#### § 4130.3-2 Other terms and conditions.

The authorized officer may specify in grazing permits or leases other terms and conditions which will assist in achieving management objectives, provide for proper range management or assist in the orderly administration of the public rangelands. These may include but are not limited to:

(a) The class of livestock that will graze on an allotment;

(b) The breed of livestock in allotments within which two or more permittees or lessees are authorized to graze;

(c) Authorization to use, and directions for placement of supplemental feed, including salt, for improved livestock and rangeland management on the public lands;

(d) A requirement that permittees or lessees operating under a grazing per-

mit or lease submit within 15 days after completing their annual grazing use, or as otherwise specified in the permit or lease, the actual use made;

(e) The kinds of indigenous animals authorized to graze under specific terms and conditions;

(f) Provision for livestock grazing temporarily to be delayed, discontinued or modified to allow for the reproduction, establishment, or restoration of vigor of plants, provide for the improvement of riparian areas to achieve proper functioning condition or for the protection of other rangeland resources and values consistent with objectives of applicable land use plans, or to prevent compaction of wet soils, such as where delay of spring turnout is required because of weather conditions or lack of plant growth;

(g) The percentage of public land use determined by the proportion of livestock forage available on public lands within the allotment compared to the total amount available from both public lands and those owned or controlled by the permittee or lessee; and

(h) A statement disclosing the requirement that permittees or lessees shall provide reasonable administrative access across private and leased lands to the Bureau of Land Management for the orderly management and protection of the public lands.

#### § 4130.3-3 Modification of permits or leases.

(a) Following consultation, cooperation, and coordination with the affected lessees or permittees and the state having lands or responsibility for managing resources within the area, the authorized officer may modify terms and conditions of the permit or lease when the active use or related management practices:

(1) Do not meet management objectives specified in:

(i) The land use plan;

(ii) The pertinent allotment management plan or other activity plan; or

(iii) An applicable decision issued under §4160.3; or

(2) Do not conform to the provisions of subpart 4180 of this part.

## Bureau of Land Management, Interior

## § 4130.5

(b) To the extent practical, during the preparation of reports that evaluate monitoring and other data that the authorized officer uses as a basis for making decisions to increase or decrease grazing use, or otherwise to change the terms and conditions of a permit or lease, the authorized officer will provide the following with an opportunity to review and offer input:

- (1) Affected permittees or lessees;
- (2) States having lands or responsibility for managing resources within the affected area; and
- (3) The interested public.

### **§ 4130.4 Authorization of temporary changes in grazing use within the terms and conditions of permits and leases, including temporary nonuse.**

(a) The authorized officer may authorize temporary changes in grazing use within the terms and conditions of the permit or lease.

(b) For the purposes of this subpart, “temporary changes in grazing use within the terms and conditions of the permit or lease” means temporary changes in livestock number, period of use, or both, that would:

- (1) Result in temporary nonuse; or
- (2) Result in forage removal that—
  - (i) Does not exceed the amount of active use specified in the permit or lease; and
  - (ii) Occurs either not earlier than 14 days before the begin date specified on the permit or lease, and not later than 14 days after the end date specified on the permit or lease, unless otherwise specified in the appropriate allotment management plan under § 4120.2(a)(3); or
- (3) Result in both temporary nonuse under paragraph (b)(1) of this section and forage removal under paragraph (b)(2) of this section.

(c) The authorized officer will consult, cooperate, and coordinate with the permittees or lessees regarding their applications for changes within the terms and conditions of their permit or lease.

(d) Permittees and lessees must apply if they wish—

- (1) Not to use all or a part of their active use by applying for temporary

nonuse under paragraph (e) of this section;

(2) To use forage previously authorized as temporary nonuse; or

(3) To use forage that is temporarily available on designated ephemeral or annual ranges.

(e)(1) Temporary nonuse is authorized—

(i) Only if the authorized officer approves in advance; and

(ii) For no longer than one year at a time.

(2) Permittees or lessees applying for temporary nonuse use must state on their application the reasons supporting nonuse. The authorized officer may authorize nonuse to provide for:

(i) Natural resource conservation, enhancement, or protection, including more rapid progress toward meeting resource condition objectives or attainment of rangeland health standards; or

(ii) The business or personal needs of the permittee or lessee.

(f) Under § 4130.6–2, the authorized officer may authorize qualified applicants to graze forage made available as a result of temporary nonuse approved for the reasons described in paragraph (e)(2)(ii) of this section. The authorized officer will not authorize anyone to graze forage made available as a result of temporary nonuse approved under paragraph (e)(2)(i) of this section.

(g) Permittees or lessees who wish to obtain temporary changes in grazing use within the terms and conditions of their permit or lease must file an application in writing with BLM on or before the date they wish the change in grazing use to begin. The authorized officer will assess a service charge under § 4130.8–3 to process applications for changes in grazing use that require the issuance of a replacement or supplemental billing notice.

### **§ 4130.5 Free-use grazing permits.**

(a) A free-use grazing permit shall be issued to any applicant whose residence is adjacent to public lands within grazing districts and who needs these public lands to support those domestic livestock owned by the applicant whose products or work are used directly and exclusively by the applicant and his
